

Whiston

Metal Wheelie Bin Store Product Specification

Sick of the sight of wheelie bins and recycling boxes cluttering up your driveway? Then, the Whiston Wheelie Bin Store is the solution for you. Whiston offers excellent versatility, accommodating up to three wheelie bins and two recycling boxes, keeping your bins hidden away without restricting functionality.

Featuring outward-opening doors and a prop-open gas-strut lid with an innovative bin lid clipping system, Whiston allows for easy access to all your bins. With a robust locking system, this store also ensures complete security, keeping pests and rodents out and your bin securely locked away when you aren't using them. Complete with optional shelves for recycling boxes, the bin store can be customised to fit your needs.

Manufactured in Britain, the Whiston is available in two stylish colourways, anthracite grey and sage green. Made from durable, powder-coated galvanised steel for maintenance-free care, Whiston is sleek and stylish, blending seamlessly into outdoor spaces of all shapes and sizes. Entirely weatherproof, Whiston also features our unrivalled HEX Living lifetime warranty, giving you complete peace of mind.
