CARING FOR YOUR HEX LIVING PRODUCT

- Your **HEX Living** product is designed to stand the test of time, which is why we're happy to offer a lifetime warranty on our products. With zero maintenance required, simply assemble your HEX Living product and enjoy putting it to great use in your garden.
- Periodically, you might want to give your product a clean, these simple care tips are not essential to the performance of your product:
 - Remove surface dirt with plain water using a jet wash or sponge, the coating on our products will ensure dirt or mud simply wipes away.
 - If your product has guttering, remove leaves and garden debris as you would on your home.

WARNINGS AND ADVISORIES

- Do not try to install the shed alone. If the shed falls, it could cause serious injuries and damages!**
Select a dry and calm day for your assembly, do not try to install this product in windy conditions!
- Please read the manual carefully before assembling, (we recommend keeping the manual for future use).
- We advise a flat hard floor surface, preparing suitable area for assembly.**
- Place all parts out carefully, ideally on a soft surface to protect parts from getting damaged.
- Please check part quantities before assembling, contact customer service if any parts are missing or damaged.

PRODUCT REGISTRATION

- IMPORTANT:** Thank you for purchasing our **Hixon Shed**, ensure you have registered your HEX Living product using the unique serial number found on the cover of this document, please visit www.hexliving.co.uk to register your product and access the HEX Living lifetime warranty.

GROUND ANCHOR KIT

A Ground Anchor Kit is supplied, this is to secure the product to a solid concrete base, the shed has x4 clamp plates in each corner.

- We strongly advise that the shed is anchored using this kit.**

The diagram illustrates the typical fixing method, once the shed is assembled, access the clamp brackets by removing the appropriate floor panel and secure as required.
