Caring for your HEX Living product

Your **HEX Living product** is designed to stand the test of time, which is why we're happy to offer a **lifetime warranty** on our products. With zero maintenance required, simply assemble your HEX Living product, and enjoy putting it to great use in your garden.

Periodically, you might want to give your product a clean, these simple care tips are not essential to the performance of your product:

- Remove surface dirt with plain water using a jet wash or sponge, the coating on our products will ensure dirt or mud simply wipes away.
- If you've purchased a HEX Living metal pergola, periodically clear the roof of fallen leaves.
- Blinds should be regularly cleaned and remove any garden debris as you would on your home.

Ensure you have registered your HEX Living product
