1. Overview

The perfect space to grow plants, herbs and blooms, Hanbury is a stylish and versatile range of modular metal planters. Suitable for outdoor spaces of all shapes and sizes, Hanbury planters come in a range of nine different dimensions and can be effortlessly stacked to create an individual and stunning outdoor display.

Further expanding the appeal of the Hanbury metal planter range, innovative oak-effect seat and coffee table attachments are also available, enabling you to create individual areas for relaxation in your outdoor space. Waterproof and hard-wearing, these accessories are completely maintenance free and easy to attach, perfect for taking a break from gardening.

Designed to offer additional support, metal clamps are also available, bringing extra safety and stability to the planters in busy garden environments.

CAUTION:

Whilst every effort has been made in the manufacture of your appliance to remove any sharp edge, you should handle all components with care to avoid accidental injury.

Important Information

NOTE: the safe operational requirements, warnings & cautions. Use the product correctly and with care for the purpose for which it is intended. Failure to do so may cause damage and/or personal injury and will invalidate the warranty. Please keep these documents safe for future use.

Safety Instructions

Cautions and instructions in this manual cannot cover all possible situations and conditions that may occur. Common sense and caution are factors which cannot be built into these products.

Before beginning the assembly, check that you have the correct components. If for any reason you need assistance, please contact our customer service team on +44 (0) 1889 272 056.

Please read these instructions carefully before assembly and use.

- Make sure all plastic protection is removed before assembling.
- Attachment assembly should be carried out on an open, flat, level surface.
- Please refer to assembly diagram as necessary.
- To avoid losing any small component or hardware, assemble your product on a hard level surface that does not have cracks or openings.
- To prevent any possible damage to the flooring structure, ensure this product is correctly lifted, whilst moving from one position to another.
- Follow all steps in order to properly assemble your product.
- Wear correct safety gloves. Edges and corners can cause minor cuts if improperly handled during assembly.
- Do not force parts together as this can result in damage to the product.
- When applicable, tighten all components by hand first. Once all steps are completed, go back and fully tighten till firmly secure with the recommended hand-tool.

PERSONAL PROTECTION EQUIPMENT

We advise appropriate personal protective equipment is worn during assembly.

Coffee Table
•Product Code: 0259-CT

Coffee Table

3 **IMPORTANT:** To correctly attach the coffee table, first hook the mounting bracket over the lip of the planter, before lowering into the secured position, as shown.

6. Care Advice

Designed and built to stand the test of time, your new planter is low maintenance; requiring little more than a periodic clean to keep it looking its very best.

Here's some advice on how to look after it:

1. Regularly wipe down metal surface with detergent-free, warm soapy water and a non-abrasive sponge to clean.
2. Avoid using heavy detergents or power washers.
3. Perform maintenance checks at least once a year and ensure all fixings are secure.

8. Limited Warranty

Our Hanbury Planters come with a lifetime warranty on all metal components, commencing from the date of purchase. The warranty includes manufacturing deficiencies and defective parts and extends to the replacement of these parts. Expenses for shipping, installation, replacement of worn parts and other cost are not covered by the warranty. The warranty lapses in case of mishandling and if any kind of unauthorised modifications are made to the appliance.
